

**DEBBIE KING  
EMPLOYEE OF THE MONTH  
APRIL 2009**

I would like to nominate Debbie King for Employee of the Month because of the outstanding person she is. Lately, at the Fire Department, we have had some very intense calls. We were lucky enough to have Debbie respond with us.

Recently we had a small child not breathing and I asked Debbie to jump in the back of the ambulance with us. She did it without hesitation. She started breathing for the child and before we knew it the child was breathing on its own.

Again and again I have asked Debbie to help and she has never once said no or given it a second thought. I have spoken to the other fire guys and they all have said the same thing.

Debbie is an outstanding officer and “partner” to have on any call. Please make her Employee of the Month because she is most deserving.
